

Positive Behaviour Policy

Providing the roots to grow & the wings to fly.

1.1 Introduction

At Henhurst Ridge Primary Academy we aim to provide an environment in which children respect, value and care for each other and in which they feel secure and able to learn and explore, knowing that what they do will be valued by others. These aims are supported by the overall philosophy and practice of:

Respect Yourself - Respect Others.

We believe that praising and valuing children is the best form of encouragement towards appropriate behaviour. Through implementation of this policy we will establish our expectations of the behaviour of our children, parents, staff and school community.

We will at all times challenge racist or sexist behaviour, and all forms of bullying.

The whole school community, children, staff, governors, parents, students and volunteers should be aware of and actively involved in implementing our Behaviour Policy.

We believe everyone at Henhurst Ridge Primary Academy the right to be respected as an individual. We strive to create a happy, protected and encouraging environment where the children can learn and grow into independent, responsible and respectful individuals. Henhurst Ridge Primary Academy has aims that support those of the Education Reform Act and emphasises that staff are committed to all policy statements. The aims that originate from the school are formulated, implemented and reviewed by staff and Governors.

1.2 The code of behaviour is in the context of a "positive" ethos and reflects our belief that there should be a culture where there are rewards for achievement and good behaviour. To this end we are currently doing the following:

- All children begin every day with their name on 'Ready to Learn'. Achievement in work and behaviour is recognised and praised daily in classrooms. Children's names can therefore be moved to 'Excellent Effort' and then 'Outstanding'. The names can also be moved down - see Consequence section of policy below.
- In the weekly Celebration assembly, one child from each class is presented with a certificate based on one of the 7 core Henhurst Harrier values of Honesty, Aspiration, Responsibility, Resilience, Innovation, Everyone working together & Respect. Each half term will focus on a different value.
- Positive text messages are sent home share news with parents about children's learning and positive behaviour choices.

The code is to be used in the context of our policy and commitment to:

- Equal opportunities
- Anti-racism
- Anti-bullying
- Health and Safety in school
- SEND Code of Practice

The code sets out to clarify:

- The lines of responsibility for discipline in the school (people)
- The structures for discipline in the school (procedures)
- The process from "incident" to "exclusion".
- The support structure for staff (teaching and non-teaching)

5. Pupil Voice

Circle time will be used to address behaviour and raise self- esteem as well as show our care and respect for others. (Appendix 1)

6. Pupil Exclusions

The school will make every effort to support pupils with challenging behaviour and to resolve conflict, however if it is necessary to exclude a pupil then the following procedures will be implemented:

6.1 Fixed term exclusion

Head teachers have the legal right to exclude a pupil for up to 45 school days in a school year. Exclusion is a disciplinary sanction, which can only be exercised by the Head teacher or Deputy Head teacher when s/he is acting in the Head teacher's absence and only in response to serious breaches of the school's policy on behaviour or of the criminal law.

Where a pupil is excluded for a fixed period the exclusion will be for a minimum time to ensure that the pupil and others in the school understand that the behaviour has been unacceptable. Pupils will be given every opportunity to improve their behaviour before fixed term exclusion is exercised.

A first fixed period of exclusion lasting from 1 to 3 days is usually appropriate. When a pupil is excluded for a fixed period of more than two days the Head teacher will arrange for pupils to receive schoolwork to do at home and have it marked until s/he returns to school.

6.2 Arrangements for fixed term exclusion

1. Fixed-term exclusions will take effect as of the close of the current school day. However, if the offense is of a very serious nature, i.e., where a pupil is a grave danger to themselves or others, then the exclusion will be immediate.
2. The Head teacher/Deputy Head teacher will make every effort to contact parents by telephone during the day informing of the exclusion and the reasons for it. The Head teacher/Deputy Head teacher will always send a formal letter setting out the reasons for the exclusion and the arrangements for their return to school.
3. Parents will be informed of their right to make representations to the Governing Body.

In the unlikely event that it is necessary to apply the sanction of permanent exclusion, then the governing body will follow appropriate LA procedures.

The discipline stages are outlined in Appendix 2
