

Newsletter 23 – 21st March 2019

Dear Families,

It's been so nice getting outside so much with the children this week; it's certainly starting to feel like spring has sprung! The children continue to work very hard and amaze us with the amount of writing they produce. One pupil told me yesterday that she loves writing which is great for us to hear as teachers, that the children want to and enjoy writing at this early age.

Tapestry: The issue around viewing group photographs or videos should now have been resolved but please do let us know if you are experiencing any difficulties.

Parent Governor: We had one application for the role of parent governor and I am delighted to announce that Mrs Dowding, Emily's mum, is our new governor! Congratulations Mrs Dowding and thank you very much for giving up your time to helping make our school great!

People Who Help Us: During the week beginning the 1st April, the children will be learning about people who help us, such as doctors, nurses, police officers, fire fighters, teachers, dentists etc. It would be great to get some of these people in to talk to the children about their jobs. So if you know of anyone or indeed, if we have any of these professions within our parenting body, please do let us know. We've had one or two offers of family members coming in but it would be great to have some more!

Mothers' Day lunch: We are all really excited to be hosting our first parent lunch next Friday! Our cook, Miss Karina has been busy ordering all the food in and preparing everything ready. We hope you're hungry!

INSET Day - Don't forget that tomorrow is an INSET day where the staff will be undergoing Safeguarding training and the children will have a well-deserved day off!

Car Parking - We are expecting the gates to be automated next week but I am waiting for confirmation on this. After this time, the school car park will no longer be able to be used for parent parking. Please do take the opportunity to have a drive/walk round Henhurst Ridge to see where there are good parking spaces. More information will be released about this next week in the newsletter.

One-way system: Please can you remind any family members that are dropping off or collecting your children that Henhurst Ridge operates a one-way system. This week two vehicles have been seen leaving the school grounds and then driving the wrong way round the one-way. We would hate anyone to have an accident when leaving the school.

Newsletter 23 - 21st March 2019

Harrier Award: Miss Coxon and Mrs Blackshaw have chosen Maimoona this week for the Harrier Award. They couldn't believe that Maimoona has not yet been chosen as she always works so hard and most certainly shows resilience in everything that she does! Well done Maimoona, thank you for being a super star!

Wishing you a wonderful weekend!

Very best wishes,

Mrs Hopkins
