HENHURST RIDGE NEWS

WC 19th OCT 2026

Mrs Hopkins

Well here we are at the end of a very busy term! It has been a joy to watch the children settle into their new year groups and get stuck into all the fabulous learning opportunities. We have been, and will continue to have a drive on the fundamentals like pencil grip and handwriting. It really is so impressive when you see the progress from the start of the year to now - who knows what it will be like by July! You will be able to see this when you come for Parents' Evening after half term.

On Wednesday, we had the Attendance Lead from the Trust, Alistair Dewar in to work alongside myself, Mr Furniss and Mrs Lovatt who lead on attendance and he was so impressed with our systems in place and how our families are responding to our drive on improving it! On the day he came, we were sitting at a lovely 97% of our children in school. He also commented on the excellent behaviour around school and how well the children spoke of their experiences at school which of course always makes me VERY happy!!

We had a wonderful response for our Halloween fundraiser - the pictures were beautifully coloured and the pumpkin carving was sensational!! I've never seen such incredible designs! Thank you for getting behind this and helping us raise money to get our Y5/6 choir to Young Voices in January!

Just a reminder that earrings need to be taken out for PE. Your child will not be able to take part in PE if they cannot take them out so the summer holidays is the best time to get ears pierced.

I hope you have a lovely half term whatever you might be doing and enjoy the start of all the fun Autumn festivities with Halloween just a week away!

I look forward to seeing you on Monday 2nd November and don't forget to put your clocks back for that extra hour this Sunday!

Spotlight Class: POTTER

What a fantastic half term it has been for Potter Class!

We have delved deeply into our learning and have shown expert knowledge across Maths, Writing and our foundation subjects. The children have worked incredibly hard and have demonstrated excellent teamwork, supporting one another and celebrating each other's successes.

Recently, we enjoyed an exciting Healthy Living Day, where we learned all about making healthy choices and what a balanced diet looks like. The children took part in a variety of activities, including taste testing different foods, exploring unusual food combinations, and making their own healthy wraps.

Throughout the day, the children practised important cooking skills such as chopping, grating and cutting vegetables. They showed great independence, responsibility and enthusiasm while preparing their food, and were willing to try lots of new flavours. We were extremely proud of their positive attitudes and willingness to challenge themselves.

Well done, Potter Class, for a brilliant half term! We hope you all have a wonderful break and look forward to more exciting learning next half term.

HARRIERS OF THE WEEK

A massive well done for the children chosen for showing our value of **'Everyone working together'** this week.

BE BRIGHT BE SEEN

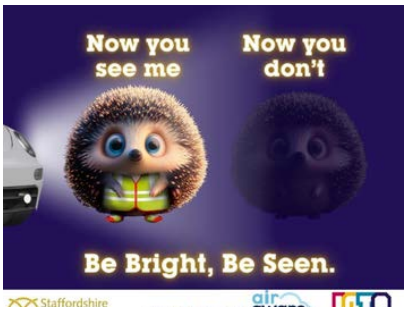

As the mornings and evenings become darker, we're reminding everyone to Be Bright Be Seen.
Bright clothing, reflective materials and lights can help pedestrians, cyclists and scooter riders stay visible to other road users.
By choosing active travel and travelling safely, we can help create healthier, cleaner and safer journeys to school.
